

HINDUSTAN POWERPROJECTS PRIVATE LIMITED

Corporate Environmental Policy Statement

Hindustan Powerprojects Private Limited, being an environmentally responsible corporate, believes in sustainable development of infrastructure projects through efficient execution, and by minimizing impact on environment.

We, hereby commit to further enhance our Environmental Performance by:

1. Complying with the requirements of relevant Environmental Legislations.
2. Executing our projects through Environmental Management Plan (EMP).
3. Providing training to employees in Environmental Awareness and relevant Environmental issues.
4. Encouraging our employees to integrate the consideration of Environmental concerns and impacts in decision making and activities.
5. Communicating this policy to all stake holders.

Ratul Puri
Chairman
